

# Planibel G™

## Want Industry Leading Thermal Control?

Planibel G™ is an industry leading low-e product, dedicated to improving your thermal performance and all round comfort. Available in a range of sizes, Planibel G™ can conveniently fit into an array of applications, including both new builds, renovations and repairs or replacements.

Planibel G™ can be toughened, making it an A-Grade safety glass in accordance with AS2208, making it ideal for larger windows where human impact is of concern or places where codes dictate the use of safety glass, we can also cut and process Planibel G™ much in the same way as our other range of glass types.

*Planibel G™ is a trademark of AGC Yourglass.*
